To Returning Citizens/Neighbors and Colleagues involved in Corrections and Reentry Services:

Attached is an application from THRIVE Communities for our community initiative: Circles of Support and Accountability (COSA). COSAs are designed to accompany Core Members (individuals returning from incarceration) through the journey of reentry by matching them with a dedicated team of three community volunteers who meet weekly with the Core Member for at least one year. This team supported by a TRHIVE staff member (Reentry Coach). Core Members and COSA volunteers often form positive long-lasting friendships. Each COSA team is supported by professionals involved in our Core Member's care, community groups, and others equipped to respond to challenges the team may face. These important layers of community join together to help Core Members set and achieve their own goals, uphold reentry requirements, and provide a space for supportive forms of accountability.

Please share this information broadly with colleagues and incarcerated people seeking reentry support. THRIVE seeks applicants who are adults (25+) with limited social supports returning from jail or prison to Lowell or Lawrence, Massachusetts. We serve individuals of all genders and offending categories, and will prioritize applicants who are of medium to high risk with the greatest need for social support. During this third year of service (2019), THRIVE plans to match eight - ten Core Members with a COSA Team. Participation in COSA is fully voluntary, so applicants should only apply if this is a reentry approach that sounds appealing to them. A three-to-six-month lead time before release is helpful to properly prepare a COSA team, the more time we have to prepare, the better. THRIVE is seeking individuals reentering society August – December 2019. THRIVE also welcomes applications from individuals preparing to return to community any time in 2020.

Here is a link to an article about COSAs in Vermont as well as a link to other relevant articles. While most COSA projects have focused on people reentering who have a history of sexual offending, Vermont has successfully opened their circles up to a broader population. Likewise, THRIVE Communities serves individuals of all offending categories.

Prior to applying, please feel free to call me with any questions you have about CoSA, about openings available during your reentry timeline, or general eligibility. Please contact me via phone (617-642-4553) or e-mail (kimyeasir@thriveMA.org).

# CALL for VOLUNTEERS

## PILOT RESTORATIVE REENTRY PROJECT:

Circles of Support and Accountability (CoSA)

# Are you a Community member:

- Over 18 years old, living in Lowell or Lawrence, MA?
- Interested in supporting adults returning to your community from jail or prison?
- Motivated to empower returning citizens to successfully and sustainably stay in the community?
- Seeking opportunities to bring healing to communities and individuals impacted by crime and incarceration?

If this resonates with you, please consider joining the THRIVE community by applying to become a COSA volunteer.

### We welcome volunteers from all walks of life, no experience necessary!

Regardless of if you are a professional in a related field, someone who has personally experienced reentry, or simply a concerned community member, THRIVE wants to hear from you! Contact THRIVE today for more information: volunteer@thriveMA.org • 617.642.4553

# What is a COSA?

# A COSA is a Circle of Support and Accountability.

#### Who is on the team?

The team includes three community volunteers (this could be you), a Core Member (returning citizen), and a reentry coach (THRIVE staff).

#### What does the team do?

The team walks with a Core Member through the challenges and successes of reentering to community from jail or prison. Each week, everyone meets in a Circle for about one hour to share and support each other as well as work through the difficult moments. Volunteers also meet with a Core Member outside of the circle meeting: for coffee, a shopping trip, to go to a job interview, etc.

# Why do Core Members participate in COSA?

COSA is completely voluntary and has been shown to be very effective in helping people stay out of jail, think through difficult decisions, and achieve personal goals. Core Members often find value in the friendships formed through COSA and the support team members offer toward building a positive life.

# If I join COSA, what am I committing to?

You are agreeing to serve on a COSA team for at least one year, pledging

roughly **one to three hours** of your time per week. You are committing to support a returning citizen through his or her struggles and challenges. You will help this Core Member uphold reentry requirements and achieve their own goals while providing a space for supportive forms of accountability.

#### Why should I participate in COSA?

Some individuals volunteer out of an interest in addressing issues of incarceration, economic disadvantage, power, and privilege within their community. Others join seeking social change, a place for restorative justice, or healing. Still others are committed to crime reduction and no more victims. Each volunteer is different, but all team members agree that they want to live in a community that is welcoming and safe for all people, including those returning from prison.

Imagine changing the paradigm from coexisting with people who have been incarcerated and may recidivate, to one that encourages connection with returning citizens and builds resilience within the community as we learn to THRIVE together.
